Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 25 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showery overnight but mostly dry on Tuesday. Temperatures rising.

This Evening and Tonight:
During the evening, showers gradually clear for a time with some clear spells developing, but overnight, cloud and further showers return from the north. Winds will be light and showers clear again by dawn. Minimum temperature 4 deg C (39 deg F).

Wednesday:
A largely dry day with sunny spells. Cloud increases for a time around midday and a few showers are possible in the afternoon. Skies clearing through evening. Feeling warm. Maximum temperature 18 deg C (64 deg F).

Outlook for Thursday to Saturday:
Generally dry with sunny spells through this period. Perhaps the odd spot of rain on Thursday or Friday. Becoming warmer and winds staying light.
